3. MGM Programme is not applicable to referrals made for Student Membership and/or upgrade/transfer in membership e.g. Student Member converting to Ordinary/Associate Membership.

4. Should a Referrer introduce their friends or organisations that are incidentally lapsed SIM members, the applicant must re-join as a new member for which a one-time entrance fee and pro-rated annual membership subscription apply in order to render the referral as successful.

5. The referral is considered successful when the referred applicant submits his/her SIM Membership application form by 28 December 2012 and the application is approved by SIM and full payment received by 15 January 2013.

6. The full name, SIM Membership number and email of the Referrer must be provided in the membership application form (online/print) at the point of application. Provision of such information after submission of the form will not be entertained.

7. The Referrer shall consent to SIM disclosing his/her name to his/her friends and/or family members and companies whom he/she had referred.

8. There is no restriction to the number of referrals as long as all applications submitted fulfill the terms and conditions of this MGM Programme.

9. If more than one Referrer refers the same contact to the MGM Programme and the applicant successfully signs up for SIM membership, SIM shall at its discretion, decide on who should be the rightful Referrer based on the membership application bearing the Referrer’s particulars first received.
